Cobalt Blue Holdings at Uncover Curnamona 2019

Cobalt Blue Holdings Limited ('COB') is pleased to announce participation in the 2019 Uncover Curnamona Conference; an initiative of the NSW Department of Planning & Environment, Government of South Australia Department of the Premier and Cabinet & Geological Society of Australia Inc. Uncover Curnamona promotes industry collaboration for the advancement of regional mineral exploration.

During the conference, COB will be showcasing diamond drill hole 17THD01 from the Pyrite Hill deposit of the Broken Hill Cobalt Project. The drill hole was completed in 2017 and intersected 89m at 982ppm Co, 9.4% S and 8.7% Fe from 34m (as released 4 May 2017 '[2017 Update – Strong Drilling Results Continue](#)').

The Broken Hill Cobalt Project hosts a global Mineral Resource of 111Mt at 889ppm cobalt-equivalent (CoEq) (715ppm Co & 7.8% S) for 79,500t contained cobalt (as released 4 April 2019 '[Significant Thackaringa Resource Upgrade](#)').

COB's Exploration Manager, Heath Porteous will present an update on resource development and recent exploration activities. The conference agenda can be found [here](#).
